Title	SIO TEAM 1 SECRET POLICY DECISION - S267/01
Policy Text	DECISION: STRATEGIC DIRECTION PM(A) has directed that the IRT recommendations be accepted in full. There has been no immediate direction to me following the decision by PM(A). I will pause the majority of activity on the MLOEs until I receive detailed direction from Gold. REASON: Some of the IRT recommendations differ from the investigative direction I had set and therefore I will require detailed direction with rationale from Gold on what he wants me to do and in some ways how to do it. I have articulated to Gold and Silver the issues concerning some of the accepted recommendations which may prevent a thorough and effective investigation being conducted. I have raised the (undecipherable) and will continue to do so in order for these to be assessed in future decision making. CAPT J L WRIGHT SIO
