Â  
 A very quick trawl of my files / folders for CIVCAS  
 allegations against SFHQ(A) (none upheld) reveal:

Â QK -Â ?Â (Don't remember detail of  
 alleg)

Â QL - an op by APF1.Â  
 Orig alleg by N2132.Â Later (by M1) cfmd as NG  
 EKIA.

Â QM - DG 2010 - the  
 against Obj QN w poss NG killed

Â QO - ?

Â QP - DG 2010 - alleg that NG  
 killed by explosion post-departure of SU

Â  
 Obj TYBURN - alleg of 4 CIVCAS ( and Target Confirmed  
 subsg declared; N2132 did not sp alleg)

Â QQ - M1 - alleg only of damage  
 / disrespect etc

Â QR - DG 2010 - alleg NG CIVCAS  
 killed - a TPE inv of course

Â  
 APU3 op last summer (referred to in our BN as prev  
 investigated by Named Afghan Comd 1) - ?

Â  
 I have included the detail evident to me in the course of  
 this very-few-seconds-scroll; others in the e-chain might remember the details  
 clearly.

Â  
 Most of these allegations appear to have been refuted  
 near-immediately.

Â  
 (DSF asked about the SU CIVCAS track record specifically in  
 our telcon last night).
