Subject:

20101213-Obj 3 SIR-S

Name Given

At the Comd VTC N1786 mentioned that the SIR relating to Obj 3 was in an advanced stage. He also made it clear that the SIR had been raised on the basis of the media reporting as opposed to any unlawful use of force - totally appropriate.

Do you know whether the SIR has been completed? When it has could you forward it to me so that the legal advice can be done?

Thanks
