Title	SIO TEAM 1 - SECRET POLICY DECISION 90/3
Policy Text	DATA SEARCH

DECISION:
Focused searches will continue at Collingwood as outlined in Policy 84. This will also be reflected in the DAS searches. The large quantities of additional data either located or not yet searched require attention focused on N50, Obj [redacted] 2 and Obj [redacted] 1. This continues to reflect the MLOE.

REASON:
The IRT agreed with the SIO and is reflected at Para 3.6 of their report that there is considerable merit in continuing to search new and existing data, in order to establish if there is any evidence or material which will prove or disprove the allegations.
