INVESTIGATOR'S WORKBOOK

CRIMINAL PROCEDURE AND INVESTIGATIONS ACT 1996

Investigators have a duty to:

Record	Retain	Reveal	Review
Record all information relevant to an investigation, recorded in any form, at the time of obtaining or as soon as practicable after that time.	Retain means keeping all material obtained in a criminal investigation which may be relevant to the investigation (includes surrounding circumstances of the case) and failure to ensure this , may result in a failed prosecution.	Reveal means ensuring the DSP are aware of all material relevant to the investigation. The DSP will disclose material to the defence if in their opinion it might undermine the case against the accused. Failure to reveal material may result in a failed prosecution.	Review, there is a continuing obligation to "4R's" any material that comes to light prior to and during trial.

These book will be issued against signature to all investigators engaged on an investigation at its commencement.

At the conclusion of the investigation all book will be surrendered to the Disclosure Officer who will certify their return.

They will be filed with the case paper

These books should record all notes made, for example

- Conference and other rough notes
- Telephone numbers etc.
- Notes relating to a witness i.e. Statement preparation, the witness name must be linked with those notes.

To assist the Disclosure Officer, an 'S' should be placed in the margin alongside any obvious sensitive entries i.e.Informant, OP's, Police intelligence and Police/witness address/phone numbers. **NO** other document to be maintained except Pocket books, which will still record evidence.

QUESTIONS REGARDING FDHC SET UP REVIEW

- HOW LONG HAS IT TAKEN TO REACH WHERE WE ARE CURRENTLY AT?
- HOW LONG WILL IT TAKE TO COMPLETE CHECKING THE SCANNER?
- IS THERE A WAY OF CHECKING ALL THE DOCUMENTS WHICH HAVE BEEN SCANNED?
- DO WE KNOW WHO HAS SCANNED WHAT FILES?
- HOW ARE THESE CHECKS LISTED? (ONE REPORT / SEVERAL / ELECTRONIC?)
- WE BOOKMARKED RELEVANT FILES, CAN WE CHECK WHICH FILES HAVE BEEN SCANNED BUT NOT BOOKMARKED?
- HOW WOULD WE REPRODUCE THESE FILES ON THE SYSTEM FOR COURT?
- WITH REGARDS TO BOOKMARKED FILES, HOW DO WE KNOW THERE ARE NO DUPLICATIONS?
- PLEASE DO WE KNOW WHAT IS ON ALL THE SILO'S - DUPLICATION ETC
- CAN WE CONDUCT SEVERAL SCANNINGS CONCURRENTLY?
- CAN WE TRIAGE MATERIAL ALREADY BOOKMARKED? IS IT STILL RELEVANT?
- HAS THIS BOOKMARKED DATA BEEN REVIEWED?
- HOW CAN THIS BOOKMARKED DATA BE REVIEWED?
- IS IT FEASIBLE TO JUST CONTINUE THE BOOKMARKING OF NON DATA, IGNORING THE MATERIAL ALREADY BOOKMARKED - AS IN THE BOOKMARKED MATERIAL HAS EITHER BEEN ESTABLISHED TO BE RELEVANT AND RELEASED FROM HQ DSF OR IT IS NOT RELEVANT & THUS NOT NEEDED?
- CONFIRM EXACT NUMBER OF SILOS & HOW MUCH TO DO ON SILO 1?

On 2 May 18 I was briefed by Silver Comd, Maj Cox, that I would be overseeing the FDHC. He explained SSgt Mclean Inglis was on relocation leave, having been SOS in Apr 18.
He told me that I needed a HO/TO with SSgt M-I to take ownership of the new team & System.
I had a HO/TO on that dy (timings see page 5). There had been no briefing packs provided & no formal brief of what the FDHC team did, strategies or even a HO/TO email. This was the first occasion I had been informed I would be FDHC IC.
SSgt M-I provided an explanation as to what the team did & who they were. The System had been powered down in Mar 18 and thus I could not be shown the System, how it worked, reasoning behind why things were done.
Upon Returning from leave on Thu 6 Sep 18 I was told that when the FDHC was running (significant delays incurred) I would conduct a review.
My Concerns are that any review I conduct now will be limited. I would rather have been told to conduct the review when the FDHC was up & running in Collingwood so I could have seen the System in practice & understood it whilst being the IC present for any questions I had. Furthermore I feel it is a huge regret that my predecessor did not

Prepared for OPEN publication in relation to the Independent Inquiry Relating to Afghanistan

Compile a HO/TO document for any oncoming SNCO. I will conduct the review as expected but I cannot say findings with it will be done to the best of my knowledge & expertise. I have never seen the FOHC System so my opinion may not be as qualified as it should have been had I been allowed adequate/more appropriate times to do the review. My Review should have been done in March 18 in colleagues.

LATE ENTRY INPUT 25 NOV 19

Obj PPP Searches / Investigation

Obj PPP came about due to N7054 beg witnessed ref Obj TY. He was spoken to by NDL during in Afgh OP TORNADO. (18/3/19 Beg interview N7054 explained that dur the deployment in warmer months of 2011 he saw an old man killed whilst he was manned. He stated he was told by USSF. He said it was Location Given interviewed again 5 Sqt Medic in Theatre 24 Apr 19.

On 3 Apr 19 SIOs directed following searches

* Soldiers Payments (search Parameters May 10 - NOV 11) Reason was to establish whether N7054's account was pictured - N7054 stated that Name Given showed him footage of a UN C/S paying Amount Given to family for dd man death.

I identified an ops tracker for SFHQ(A) on VP which it displayed all ops & results (EKIA, $ENIA etc). It had APU1 SU1C, SU1A, APU1 SU1D on. N7054 account was that a [redacted] of every name killed on op. Operational Details

Of all APU1 SU1D ops only 2 had >4 EKIA. See page 27 top page.

I highlighted searches into VP - list held on VP although the

following is a list: See pg 29 notebook.

Obj PPP N7054

These searches helped establish the op.

We compared N7054 complicit with info on ops & established an op 3 EKIA on Location Given Date Given 11. Only 3 ops in Location Given & APU1 SU1D & only 1 met Operational Details and other had less < EKIA than Date Given 11.

See pg 29 & 30.

However I ante all searches ref Fuse we returned all negative.

Searched entire multi media silo - mostly found also searched - see pg 30.
