Mr Warwick

Many thanks for getting back to me, I'm out of the office at the moment so responding from a different email account.

As you know GMP is reviewing the RMP SIB's Operation Northmoor investigation. We're aware that the SIB has taken advice from your team on investigative methodology and it would be extremely useful for us to have a similar insight, hence the request for a visit.

If you were available to meet with us personally for at least some time between 10.00 and 12.00 that would be appreciated.

IIA784 has assisted with some preliminary arrangements and I'll make contact with IIA827 to confirm the details.

Many thanks

FAO Mr Mark Warwick - Director IHAT

Mr Warwick

Good afternoon, my name's Dave Pinder, I'm a member of the Greater Manchester Police Review Team working with Mr Martin Bottomley.

You'll be aware that GMP are undertaking a 'live' review of Operation Northmoor (the SIB investigation) and I understand Martin may already have spoken with you in Leeds about the possibility of our team visiting IHAT with a view to gaining a clearer understanding of your working practices.

I'm currently in the process of arranging a visit to the SIB at Bulford by three members of our team for a meeting on Tuesday morning 10th March 2015. Subject to it being convenient I wondered whether it would be possible to combine this with a visit to IHAT either later on Tuesday afternoon or probably more realistically Wednesday morning 11th March 2015?

I'm still waiting for the SIB to confirm our meeting on 10th March but I wanted to make contact at the earliest opportunity so that I can arrange suitable hotel accommodation if these dates are convenient to you.

Regards
Mr David Pinder
