Title

TEAM 1 SIO (N50) POLICY DECISION 47 - SPECIAL FORCES LIAISON OFFICER

Policy Text

Decision:

Following a meeting with GOLD, DSF (Directorate of Special Forces) have offered a representative from their organisation to act as a Special Forces Liaison Officer (SFLO).

The role has not been clearly defined and will need careful consideration. I have agreed in principle to the creation of this post but will manage where required.

Reason:

An individual with Special Forces Operations (SF Ops) experience may well be very beneficial in making sense of evidence likely to be recovered and advising on matters particular to that organisation.

Clear TORs (Terms of Reference) will need to be set as not to interfere with the independence of the investigation and access to particular investigative material will need to be carefully managed.
