TEAM 1 SIO SECRET POLICY DECISION - S19/01

Policy Text

LEGAL PRIVILEGE

Decision:

N1466 has indicated that within the scope of his activities relating to the evidence he will provide are matters that may be subject to legal privilege.

He has mentioned that the then SO1 LEGAD, N2108 had been involved in providing advice to the CoC in respect of

N1466's concerns that he had discovered potential criminality.

I have engaged with GOLD on this and he has directed that I should not approach N2108 and he will do so.

Reason:

N2108 may have provided legal advice which has resulted in the then DSF N1802 not reporting suspicions of potential murder.

This is yet to be confirmed but should it be the case, I will need to consider how we deal with this; conscious that if advice has been given which itself has been in the commission of an offence, I will seek this evidence.

GOLD dealing direct is a matter for him.
