Policy Text

INTERVIEW OF N2108

### Decision:

[REDACTED] N2108, who advised [REDACTED] DSF at the material time to the N50 matters.

The intention is to meet with him in order to assess his suitability as a witness.

GOLD had been briefed on this and had directed that he would speak to [REDACTED] N2108 first as there were existing relationships that needed to be managed.

GOLD did not elaborate on these other than [REDACTED] N2108 now works [REDACTED] Role Given and had regular dealings with HQ PM(A).

### Reason:

[REDACTED] N2108 is likely to provide details of his advice to [REDACTED] N1802 concerning those matters which later comprised the TTP review and 11 incidents.

Again it is appropriate to meet with him to determine his status and whether a SOW is the required COA.

Whilst unusual for GOLD to initially engage with a witness, I understand his rationale.
