Title	SIO TEAM 1 SECRET POLICY DECISION-S95/01
Policy Text	INTERVIEW OF [REDACTED] N1802

Decision:

Gold has previously indicated the desire to engage early with [REDACTED] N1802. I will await the DSPs view on the pending Form 3 before taking for the action. Gold has directed that he will conduct the interview with [REDACTED] N1802 and when queried on who else he would wish to conduct the interview, he refused to tell me. I reminded GOLD that I am the SIO for this part of the investigation and I should make these decisions. Whilst I accept there may be certain military protocols extended in interviewing senior military or former senior military officer, the decision making on the investigation areas is mine alone. PIP4 info'd.

Reason:

[REDACTED].
 Queries within the sphere of the Form 3 will clarify the position and what we can exercise in terms of appropriation of legislation (AFA 06 & ICC) relating to [REDACTED] N1802.
 No interview will take place prior to these queries being answered.
 Whilst Gold is the strategic commander, it presents tactical challenges of he will not share or allow me to make these tactical investigative decision.
