Title

SIO TEAM 1 SECRET POLICY DECISION - S188/01

Policy Text

Decision: Command & Control/Covert Policing

Brief delivered to PM(A) including all sensitive matters. He directed that I not submit any applications for covert activity until such times as he could appoint an advisor to such matters due to his own lack of experience in their area. PM(A) briefed back that he was being provided with an uplift within the command team and would be appointing several others to sit at the strategic level. (Details to follow). Further support had been secured by former Chief Constable of Merseyside Police, Sir John Murphy and from Mark ELLISON QC. Again it was unclear as to their role. No TORS had been drafted. PM(A) detailed that he had been meeting with the PM in the MOD who had been exposed to the main headlines within T1 enquiries who broadly had supported PM(A)'s intentions. Policy provided by PM(A).

Reason:

Uplift in C2 will allow for strategic decisions to be taken and dealt with at the directorate level instead of being directed to SIO level. Governmental awareness and support is welcomed in order to have NORTHMOOR and the gravity of it exposed to the political space.
