Title	SIO TEAM 1 SECRET POLICY DECISION - S251/01
Policy Text	DECISION: GOLD DIRECTION

Following discussion with IRT, Stephen KELL and Gold, Gold directed the following:

- I am to take no action in the recovery of [REDACTED] ITS1 until directed otherwise.
- I am to take no action in respect of DSF deleting potential evidence nor am I to pursue LOEs in pursuance of an offence of perverting the course of public justice.
- I am to take no action in respect of engagement with either suspects or witnesses in the N50 matters.
- No replacement identified to take-over from WO2 PRIDDIN in the cyber role.
- The RMP OF4 LO (to facilitate deployment and interviews) will deploy in Apr 17.

### REASON:

No detailed rationale behind these decisions rather explaining that actions to be paused until the PM has had sight of the IRT recommendations following which he will issue further direction.

I articulated the risk to the loss of evidence and the delay in progressing the investigation.
