Title

SIO TEAM 1 SECRET POLICY DECISION - S266/01

Policy Text

DECISION: FDHC

Attended meeting chaired by PM(A) in which the FDHC was discussed. Based on the accepted recommendations by the IRT and advice provided by [Name Given] PM(A) directed that all future work on the implementation of FDHC be stopped.

### REASON:

This is PM(A)'s decision. For me, there remains a requirement for this system in particular to analyse in a forensic manner, the data I intend to recover from [ITS1] and other data repositories. I have articulated the requirement in detail to Gold. I await his direction.
