Title

SIO SECRET POLICY DECISION 135/4 - SEQUENCING

Policy Text

DECISION:

Once [N1466] and [N1788] have been re-interviewed AHNM will be requested to engaged with DSF and explain where we currently sit with the investigation and where we are going next. The sequencing request was sent to AHNM on 14 Aug 18 (14/08/2018) and ack.

REASON:

Following the IRT review it was ack that priority must be given to [N1466] and [N1788] before any further actions in relation to [Obj 1 & Obj 2] take place. DSF need to be made aware of the intention to investigate these Ops before action is taken. Therefore the sequencing and engagement by AHNM is crucial.
