Title

SIO POLICY DECISION 25 - GOLD GROUP MEETING

Policy Text

Decision:

At present, GOLD has not convened a meeting in relation to this critical incident. With the assistance from the NCA, it is timely that a GOLD group meeting be convened.

A request is to be made to PM (A) to determine a mutually convenient date / location to include all key personnel. Frequency of meetings will be determined by GOLD but may need to change to reflect key activity within the investigation.

Request to be staffed through 2IC SIB Regt RMP.

Reason:

PM (A) has declared this enquiry Critical Incident status and as such there is a requirement for him to be informed of key information and also for discussions to be made by him. Additionally, the meetings will assist in strategic decision making for other key personnel who will be in attendance e.g. SO1 Legal, media advice (SOI PolCom), financial considerations.
