issue and seek advice from other HOPF colleagues. Gold Comd agreed this offer and directed that PIP 4 and MERT through OIOC produce a document detailing the research and possible COAs for sight by Gold Comd.

ACTION: OIOC / PIP 4 / MERT

Item 2 - Resources

3. The issue of resources was again discussed in some depth, with Gold Comd directing that OIOC is to provide a clear view and document detailing what is required in relation to all resources for continuation and completion of the operation. This is to be completed asap, as the resource document will need to be shared with DJEP. Gold Comd agreed that at this time the document should detail the gold standard of requirements together with other COAs for workable solutions.

ACTION: OIOC / SIOs

Manpower

4. OIOC briefed that LDC expect some interviews to take place in Afghanistan prior to Christmas, however, it was unclear at this time as to whether this could realistically be achieved prior to Q1 2015. Gold Comd directed that manning resources need to be confirmed to establish how it can be achieved. If any problems relate to contracts for specialist assets, the problem should be presented to Gold Comd, where it will be considered.

ACTION: OIOC

Item 3 - Information

Freedom of Information Act request

5. Gold Comd directed that once the FOIA request submitted by [Name Given] is cleared for release through MOD the final response is to be shared with OIOC, PIP 4 and MERT.
